16th Annual Friend of Youth Charity Golf Tournament

Dear Potential Sponsor:

The Optimist Club of San Antonio has been helping youth in need in San Antonio since its founding in 1924. Projects and charities that our Club supports are:

- **Boysville:** our Club was co-founder of this residential home for children in Converse, TX.
- **Roy Maas Youth Alternatives:** provides shelter and counseling to abused, abandoned and neglected children.
- **Fight Against Childhood Cancer:** we send cancer-stricken children to a special summer camp where they have the chance to be “just kids” again.
- **Educational/Vocational Scholarships:** these scholarships provide students with financial needs the opportunity to achieve their dreams.

Our major fund raiser is our **Friend of Youth Charity Golf Tournament** which will be Monday, **October 9, 2017, at the Club at Sonterra**. Your company will be recognized in several ways: your name listed in the event program, promotional materials, and also in our weekly newsletter.

Included with this letter is a Sponsorship Form listing levels of sponsorships available. Please indicate the Sponsorship Level you will support and return it to the above address.

Thank you in advance for your consideration of our request and your support. If you have any questions or need further information, please contact Gina Litwin, Executive Director, at (210) 227-8952.

Optimistically,

Tom Trimble

Tom Trimble, Chairman
